

The Belly Fat Diet for Waist Inch Loss Within 30 Days

Deblina Biswas [Diet](#), [General](#)

With the increasing awareness about the importance of fitness and weight management for maintenance of overall health, almost all of us have joined the exercise and dieting bandwagon, and many of us have also been triumphant in losing weight and maintaining it successfully. But the stubborn belly fat still remains the major problem area for most people and it does not seem to melt even after doing thousands of crunches or spending hours and hours on [outdoor and indoor aerobic exercises](#).

The Belly Fat Diet

Lose Inches from the Belly in Just 1 Month

All of us wish to have a flat stomach and well-defined abs, but even after following all kinds of crash diets and sure-shot remedies we are left with a bloated and flabby belly. But what if I tell you that there is a diet that specifically targets belly fat? Yes, you heard me right. It is none other than the Belly Fat Diet, which functions like a belly fat burner as you eat your way to a flatter abdomen.

What is the Belly Fat Diet?

Now you must be curious to know what is the Belly Fat Diet and how does it work? Well, to begin with, the Belly Fat Diet is far from being a crash diet where you are not permitted to eat any food at all. This diet is designed to help you lose belly fat naturally by including certain foods that target belly fat. This particular diet has to be followed for 7 days and each day will consist of 4 meals – breakfast, lunch, dinner and snack.

We will provide a list of 16 recipes from which you can choose your foods for this diet. Unlike the [classic 1200 calorie diet and exercise plan](#), this diet focuses on eating 1600 calories a day along with a serving of MUFA with each meal that you consume. People who follow this diet can expect to lose 12 to 15 pounds of body weight within a month as well as several inches of belly fat.

How Does the Belly Fat Diet Work?

The secret behind the success of the Belly Fat Diet is the presence of MUFAs in this diet. MUFAs are monounsaturated fatty acids – plant-based fats that are found in nuts, seeds, olive oil, chocolates, and avocados. MUFAs work to eliminate stubborn belly fat and it is the ultimate solution to the question of how to lose inches with a diet. The MUFAs also helps you to stay satiated for a longer period of time and prevents overeating. MUFAs are added to each and every meal of the Belly Fat Diet.

Even though MUFAs are fatty acids, but they are healthy fats which don't clog up the arteries. The other secret of the Belly Fat Diet is that it emphasizes the consumption of some key foods like whole grains, vegetables, fruits, legumes, fish and olive oil along with the MUFAs. All of us are acquainted with the amazing health benefits of following a [fruit and vegetable meal plan](#).

Benefits of Following the Belly Fat Diet

Abdominal fat not only affects your appearance but seriously hurts your overall health as well. Belly fat is directly related to increased risk of diabetes, cardiovascular diseases, certain cancers and adult-onset mental disorders. Therefore, it is best to lose stubborn belly fat with the help of a proper diet and exercise.

Lowers the Chances of Diabetes and Heart Diseases

One of the biggest benefits of following the Belly Fat Diet is that it can significantly lower the risk of heart diseases and diabetes. As a matter of fact, excessive belly fat can be as harmful as smoking when it comes to heart diseases. The Belly Fat Diet is one of the easiest ways to lose belly fat and reduce the risk of cardiovascular diseases and diabetes. In fact, MUFAs can be included in important [home remedies for heart](#) health.

Maintain Testosterone Levels at Normal Range

This is by far the best diet to lose belly fat that helps maintain testosterone levels within a normal range. Excessive belly fat has been linked to reduced testosterone levels in the body, and it is especially problematic for men because it often causes lack of libido or impotence. The good news is eliminating belly fat naturally aids to bring up testosterone levels. This diet, when combined with an effective workout to lose belly fat can boost the testosterone levels even more.

Provide Better Sleep

Research shows that people with excessive belly fat may not sleep as soundly as those with little belly fat. Reducing abdominal fat can significantly improve sleep quality and reduce the chances of depression and heart diseases and problems arising from chronic lack of sleep.

Feel Great

Last but not the least is how you feel about yourself after following this diet. You are sure to feel awesome once you say goodbye to troublesome belly fat. Losing belly fat can help develop a positive self-image and make you happy about the way you look and feel.

Helpful Tips to Follow the Belly Fat Diet Successfully

Here are a few helpful tips to lose belly fat which can assist you to follow the Belly Fat Diet more effectively and turn it into a successful one.

- Avoid calorie-rich drinks such as shakes, fruit juices, soda, energy drinks and coffee beverages. Focus on drinking plenty of water instead.
- You can have black coffee, green tea, black tea and other herbal teas without sugar as these don't add empty calories to your diet. We all know the wonderful [uses of green tea for weight loss](#).
- Avoid processed and refined foods because they don't have any nutrients and contain several additives and sugar.
- The added sugar in processed and refined foods will make you feel hungrier and cause more fat storage and can also increase the production of insulin.
- Allow yourself a cheat meal and snack once a week because it becomes difficult to stick to a diet when you crave certain foods.
- Once a week allow yourself a calorie-rich dessert, cheeseburger or a slice of pizza.

Lunch is the next important meal of the day and it is necessary to eat a wholesome lunch in order to avoid snacking between lunch and dinner. Salads seasoned with olive oil are a great option for lunch. Here are a few [delicious lunch ideas for weight loss](#) which should be included in the Belly Fat Diet.

Shrimp, Barley and Baby Green Salad

The unique combination of spices in this recipe renders a delicious flavor and mouth-watering aroma to this dish, and the shrimps add plenty of healthy proteins to the salad without adding a lot of calories.

Ingredients:

- 1 cup barley
- 1/4 cup chopped basil
- 1 tbsp vegetable oil
- 3 cups water
- 1 pound peeled, deveined and cooked shrimps
- 1/2 cup cucumber, peeled and chopped
- 1 tsp. curry powder
- 1 tbsp lime juice
- 1 clove garlic minced
- 3/4th cup toasted pumpkin seeds
- 5 cups diced tomatoes
- 1/2 tsp. turmeric
- 2 tsp. Jalapeno pepper
- 12 cups baby greens
- 1/2 cup green bell pepper chopped
- 1/4 tsp. salt

- 1/4 cup lemon juice

Procedure: Add 3 cups of water to a large saucepan and bring it to boil, add the turmeric and curry powder to it. Now, add the barley to the water, cover the pan, reduce the heat and allow it to simmer for 40 minutes or until the barley is tender and all the water has been absorbed. Now, scoop out the barley and set aside. In a bowl whisk the oil, garlic, lime juice, lemon juice, salt, and pepper together. Add the cucumber, tomatoes, shrimps, barley and bell pepper to the dressing mixture and toss well. Take 6 plates and place 2 cups of baby greens on each plate, topped with the shrimp salad. Sprinkle pumpkin seed and basil from the top. This salad makes 6 servings.

- 1/4 cup baby spinach
- 4 ounces turkey
- 1 wheat pita
- 4 small slices of tomato
- 1 tsp. Dijon mustard

For the Side Salad:

- 1/2 cup hearts of palm
- 1 cup romaine lettuce chopped
- 1/2 cup red pepper chopped
- 1 tsp. olive oil
- 1/2 cup cucumber chopped

Procedure: Cut the pita into half and spread mustard on the inside of the pita and add the slices of turkey on each half, topped with sprouts, tomato slices, and spinach and keep it on a plate. Chop the lettuce, peppers, cucumber and hearts of palm and toss them together. Drizzle the salad with olive oil and serve. This recipe makes 1 serving.

Dinner Recipes for the Belly Fat Diet

Eating a wholesome dinner helps prevent [late night food cravings](#) and the presence of monounsaturated fats in these dinner recipes helps cut out the belly fat which you are working so hard to lose.

Smoked Salmon Frittata

The eggs and salmon used in this recipe make sure you get plenty of proteins along with a healthy dose of omega 3 fatty acids which is also necessary for flaunting a flatter belly.

**Ingredients:**

- 4 eggs
- 6 egg whites
- 2 ounces smoked salmon thinly sliced and cut into 1/2 inch wide pieces
- 6 scallions trimmed and chopped
- 1/2 cup cold water
- 3/4 cup black olive tapenade
- 1/2 tsp. salt
- 5 tsp. tarragon chopped
- 2 tsp. extra virgin olive oil
- Black pepper

Procedure: Preheat the oven to 350 degrees F. Heat an oven-proof skillet on a medium flame for 1 minute, add the olive oil to it and sauté the scallions in it until they are soft. In a bowl whisk the tarragon, salt, egg whites, eggs, and water together and add black pepper to it. Pour the mixture into the skillet, topping with the pieces of salmon. Allow the mixture to cook for 2 minutes, stirring from time to time. Now, place the skillet with the egg and salmon mixture into the oven and allow it to cook for 8 minutes so that the eggs are puffed. Remove from oven, take out the frittata from the skillet with the help of a spatula and put it on a serving plate. Take 6 plates and spread 2 tablespoons of black olive tapenade on each plate and top it with a slice of the frittata. Serve hot. This recipe makes 6 servings.

Chicken Breast with Almond Crust

Chicken is one of the healthiest options for dinner because it is packed with proteins and lower in fat compared to other meats. The chicken and cottage cheese used in this recipe makes it wonderfully satisfying.

Ingredients:

- 1 tbsp. cornstarch
- 2 tbsp. finely chopped almonds
- 1/4 cup egg substitute
- 5 ounces skinless, boneless chicken breast

Procedure: Sprinkle generous amount of cornstarch on both sides of the chicken breasts, dip them into the egg substitute and then sprinkle chopped almonds over the chicken, covering both sides. Spray cooking spray on a non-stick skillet and heat it on medium flame. Place the chicken breasts in the skillet and cook for 5 minutes on both sides or till the chicken is cooked completely. Enjoy hot. This recipe makes 1 serving.

Roasted Pepper and Portobello Mushroom Burger

We all know that we love our burgers, and when it is stuffed with the goodness of nutrients, there is absolutely no guilt and harm in enjoying the world's favorite fast food for your dinner.

Ingredients:

- 2 roasted red bell peppers cut into halves
- 4 leaves of lettuce
- 4 Portobello mushroom caps
- 2 tbsp. pesto

- 4 tsp. balsamic vinegar
- 2 whole wheat hamburger buns

Procedure: Heat a grill pan over medium heat and place the mushroom caps on the grill pan and grill them for 4 minutes on each side. Brush on balsamic vinegar on the mushroom caps while they are cooking. Now, warm the buns and the bell pepper halves on the grill pan. Spread the pesto on each side of the hamburger buns. Place 1 red pepper slice and 2 mushroom caps on the bottom half on each bun, top it with 2 leaves of lettuce and top with the top bun. Enjoy right away. This recipe makes 2 servings.

Whole Wheat Veggie Pizza

Pizza is our most loved fast food and who wouldn't like to enjoy a spicy and cheesy slice of this delicious dish for dinner? Well, here is a way to enjoy your healthy whole wheat pizza without loading on calories.

Ingredients:

- 1/2 cup slices red onion
- 3/4 cup cherry tomatoes quartered
- 1/4 cup sun-dried tomato pesto
- 2 tbsp. grated Parmesan cheese
- 2 tsp. olive oil
- 1 cup sliced button mushrooms
- 1 cup sliced zucchini
- 1/2 cup basil leaves chopped
- 1 cup yellow or red bell peppers thinly sliced
- 1 thin whole wheat pizza crust

Procedure: Preheat the oven to 425 degrees F. Place the pizza crust on the pizza pan, spread the pesto over the crust, place the onions, peppers, mushrooms and zucchini in a bowl and pour olive oil to it and toss the vegetables till the vegetables are evenly coated. Sauté the vegetables in a skillet for 5 to 8 minutes and keep aside. Sprinkle cheese over the crust and then add the sautéed vegetables on top of the cheese and top the pizza with tomato pieces. Put the pizza into the oven and bake for 20 minutes. Remove from the oven, sprinkle chopped basil leaves from the top, cut the pizza into quarters and serve hot. This recipe makes 4 servings.

Snack and Dessert Recipes for the Belly Fat Diet

Just because you are following the Belly Fat Diet does not mean you need to skip snacks and desserts. Snacks, sweet dishes, and smoothies can be enjoyed from time to time so that you don't get bored with the diet.

Strawberry Tropical Fruit Smoothie

The refreshing taste of fruits and strawberries will surely take you to paradise. This smoothie not only tastes amazing but also helps you to lose weight and flatten the belly thanks to the flaxseed oil present in the mix. You can also try [smoothie recipes with kiwi](#) if you are not a fan of strawberries.

Ingredients:

- 1 cup fat-free vanilla yogurt
- 5 cup frozen peach slices
- 1/2 cup mango nectar
- 1 cup fresh strawberries hulled and cut in halves
- 2 tablespoons flaxseed oil
- 1 tablespoon frozen pineapple juice concentrate

Procedure: Put the yogurt, peach slices, mango nectar, strawberries and pineapple juice concentrate in a large blender and blend till the concoction becomes smooth and well mixed. Now, add the flaxseed oil to the mixture and blend once again. Pour the contents of the blender into 2 large smoothie glasses and add a strawberry half to each glass and enjoy right away. This recipe makes 2 servings.

Peanut Butter Balls

The peanut butter balls not only makes delicious snack or dessert but also work as an amazing source of protein which helps you to meet your flat-belly goals. This is an easy-to-make snack that you can munch on when you have a craving.

Ingredients:

- 1 tsp. vanilla extract
- 1 cup stevia
- 4 scoops vanilla or chocolate protein powder
- 1 cup sugar-free peanut butter

Procedure: Put the vanilla, stevia, protein powder and peanut butter in a medium bowl and mix thoroughly. Now, take tablespoon sized portions of the mixture and roll them into balls and place them on wax paper and store them in the refrigerator till the balls are set. Enjoy chilled and store the leftovers in an airtight container.

Apple Yogurt

This wonderful apple yogurt recipe allows you to enjoy something sweet without sabotaging your Belly Fat Diet. The addition of Greek yogurt ensures you get plenty of protein from your sweet treat.

Ingredients:

- 2 tbsp. apple sauce
- 3/4 cup plain Greek yogurt
- 1 tsp. honey
- Pinch of nutmeg
- Pinch of cinnamon

- 1 apple cored, peeled and diced

Procedure: Mix the apple sauce, honey and Greek yogurt in a bowl and then add the diced apples to it, topped with a pinch of nutmeg and cinnamon. Mix everything together and enjoy right away. This recipe makes 1 serving.

Ricotta and Citrus Cannoli

Although you shouldn't overindulge in sweets and desserts, you can enjoy these healthy delicacies occasionally from time to time in order to tweak your taste buds. This elaborate ricotta and citrus cannoli can be served to guests as a dessert after dinner.

Ingredients:

- 1 tbsp. orange zest
- 1/2 tsp. vanilla extract
- 1/3 cup powdered sugar
- 3 cups semi-sweet chocolate chips divided into 2 portions
- 16-ounces fat-free ricotta cheese
- 1 tsp. lime zest
- 2 teaspoon lemon zest
- 12 cannoli shells

Procedure: Mix the vanilla, orange zest, lime zest, lemon zest, powdered sugar add ricotta in a medium-sized bowl till the mixture becomes fluffy and light. Now, fold 2.5 cups of chocolate chips into the mixture and keep the last 1/2 of the chocolate chips aside. Divide the filling evenly among the cannoli shells. Melt the rest of the chocolate chips and allow the molten chocolate to drizzle on each of the cannoli and let the chocolate harden. Place the cannoli shells in the refrigerator and serve chilled. This recipe makes 12 servings.

So, adopt a new and healthier approach to your diet and say goodbye to stubborn belly fat for good by following the Belly Fat Diet for a few months.
